

Dear Friend,

The Village of Rochester has formed a Sesquicentennial Committee to organize and raise funding for upcoming events to celebrate the Village's 150 year of incorporation. The Village of Rochester was incorporated in the year 1869. The Committee has asked the Rochester Women's Club to compile a cookbook of recipes from people with a connection (present or past) to the Village of Rochester.

We ask that your church, business, organization, or you as an individual, share your favorite recipes. Following the listing of each recipe we will list the name of the person who provided the recipe and their connection or former connection to the Village. Recipes must be submitted by February 1, 2017. If you do not have a connection to the Village of Rochester but have recipes from a relative who once had a connection to Rochester, please considering sharing the recipes for the cookbook.

A recipe submittal form is attached listing the needed information. You can mail your recipes to: Raetta Laningham, 3 Elwin Ct, Rochester, IL 62563 or you may email your recipes to: rllaningham@springnet1.com. If you have collected recipes from several individuals and would like a member of the Rochester Women's Club to pick them up, please call Raetta at: 217/415-0782. Members of the Rochester Women's Club Cookbook Committee are: Raetta Laningham; Janie File; Audrey Mock; Beth Ramsey; and Jane Hendrickson.

Thank you in advance for your interest in the 150 year celebration of the Village of Rochester.

Sincerely,

Raetta Laningham, Chairperson
Rochester Women's Club Cookbook Committee
