

Motion Passed. 5-0

PUBLIC FORUM:

Joe Hill commented on the decorations and how nice the community looked over the holiday weekend. As well as how well the community has done to take precautions and follow the guidelines set during COVID 19.

COMMITTEE REPORTS:

Water and Sewer: Committee accepted two bids on the drainage across North Walnut. Petersburg Plumbing and Excavating came in with the best bid of 86,000.00. Second bid was double that. Village engineer recommends

Second item of business was on Maxheimer Rd. extension came in at 226,000.00 on west side of road to allow for expansion. Low bid was from Petersburg Plumbing and Excavating.

PUBLIC WORKS: CCR report went out. Hit a gas line over on Walker Ridge when installing an irrigation line. Painting fire hydrants and added some flowers around some of them. Midwest meters came and did some trainings for us on our systems. New water and sewer lines on Cardinal Hill. Revoked a building permit for a garage. Fixing sidewalks, and road patching. Took out a stop sign on walnut and East Main. No news on Wanless park. Windows at Village Hall was fixed, they were leaking water.

POLICE: Officer Schnell started his training course. Officer Erwin will start his field training. Looking for resources for training courses. We

are using online classes for free training. Active shooter training this Saturday at the Rochester High School. Checking out all the intersections and adding a few more stop signs in the community. We are doing Operation Juice Box. Officers can interact and give out juice boxes to kids. Officer Ollech road for families and children of police families hurt in the line of duty. Officer Doolin followed him in the ride with traffic control. Call volume 1811 calls handled so far this year.
