APPLICATION FOR PERMISSION TO CONNECT A PROPERTY TO THE VILLAGE OF ROCHESTER WATER SYSTEM WITHIN ROCHESTER CORPORATE LIMITS

The undersigned (hereinafter called Applicant) hereby requests of the Village of Rochester Water Department (hereinafter called the Village) to connect to, and receive water from, the Village of Rochester water system at the address listed below, subject to the rules and regulations as set forth in Chapter VIII of the revised ordinances of the Village of Rochester.

Applicant agrees to furnish such information as is required by the Village Superintendent of Public Works before work is started, and to make such installation only after receiving authority to make such installation and connection from the Village Superintendent of Public Works.

Applicant agrees to notify the Village Superintendent of Public Works seventy-two (72) hours before the time of such installation and connection to enable time to set the meter, etc.

Applicant further agrees that the entire cost of making this connection, including street repairs necessary to return street to original condition, will be paid by Applicant. If there are any additional costs incurred by the Village in the installation of a particular service, the Applicant agrees to make necessary reimbursement to the Village for these costs as set forth in Chapter VIII of the revised ordinances of the Village.

In areas where the meter pits have been installed by the developer and the Applicant chooses to locate the driveway over the meter pit, the Applicant agrees that he will pay the additional cost to have the meter pit relocated. No meter pits will be allowed in driveways because of future maintenance concerns.
